Don't miss the 2011 T-BONES Annual Meeting!

Join us for the T-BONES 2011 Annual Meeting on November 10 - 11 at the Hilton Palacio del Rio in San Antonio, Texas.

Network with fellow orthopedic executives and learn about the latest information in the industry. This year's hot topics include DME, legal liabilities, physical therapy programs, EMR implementation, and meaningful use.

This year, due to feedback from prior meetings, we are changing our forum layout to better provide you with more valuable information. The forum will be conducted in an interactive, open discussion style with expert speakers in the healthcare arena. This round-table discussion will cover healthcare law, ancillary, and EMR topics. Bring your issues and questions, and fire away!
